

Shipping Validation

Read-only preview

OWNER

Fulfillment Lead

CADENCE

Quarterly review

PURPOSE

Qualify carriers, validate packaging lanes, and retain proof for shipped medications.

Sample procedure sections

1. Scope and responsibilities for the workflow owner.
2. Step-by-step procedure with evidence expectations.
3. Exception handling, escalation, and documentation rules.
4. Training acknowledgement and revision-control prompts.

Compliance note

Templates are starting points. Adapt them to your pharmacy, state, accreditation standards, and qualified counsel guidance.
